## ANNUAL TESTING JUST AROUND THE CORNER

April 4, 2025

Dear Parents and Guardians,

Wednesday, April 9th is the BIE Science test for 5th graders and the Writing/Oral language test for 3rd Grade Akimel Charter students. All 3rd-5th grade students will continue the BIE and AASA standardized annual test for Reading and math April 15th-April 17th. The students and teachers have worked very hard to master grade level skills in preparation for the test. This is truly EVERY student's time to shine! To help your child succeed, please make sure he/she goes to bed early, eats a healthy breakfast either at home OR school and is present and on time each day.

We will be kicking off the testing season with our annual 3rd thru 5th grade students verses staff volleyball game on Monday, April 14. The festivities will begin at 1:30. Students are encouraged to wear their favorite College team shirt OR colors (school uniforms are ALWAYS great). This is a celebration to honor ALL of our students' hard work and dedication. Please join us if your schedule permits. Friday, April 18 is Good Friday. The school will be closed Friday and Monday, April 21 in observation of Easter. Easter is another great time to share scrumptious food with friends and family. It is also an excellent time for family fun as well. Pick one of the activities below and begin a new family tradition.

Family hike or walk

Karaoke

Easter play or skit

Jump rope challenge

Play a board

Play a card game

Cheers,
