Monday Sept. 2, 2024

“Keep your eyes on the stars
and your feet on the ground.”

-Theodore Roosevelt

August 13, 2024

Dear Blackwater Parents and Guardians,

Greetings! It is so good to see all the kids back for another year of fun, friends and ACADEMICS. We finished all of our beginning of the year Benchmark Testing. All students K-5th were DIBELed (reading assessment) and evaluated in ELA and Math with an on-line NWEA test. Students will be benchmarked again in December and May. We are excited to see their academic growth over the course of the year!

Thursday, August 15, is our annual Title I and VI Parents' Right to Know night! Please join us in the gym at 5:30 to Learn S'MORE about what programs we offer at Blackwater and what your student learns at each grade level.

Attendance makes a difference!

Teachers can't teach students who aren't in school. There is strong evidence that regular school attendance can result in significant academic gains. Please remember:

- ✓ Make sure your child is in school every day.
- ✓ Schedule medical appointments after school hours unless absolutely necessary.
- ✓ Plan family events or trips during school holidays
- ✓ Ensure your child get clothes and backpack (including homework) ready the night before so he/she can get to school on time.

Cheers,

Misty Lopez

Assistant Principal
