we have the courage to pursue
them."

-Walt Disney

August 27, 2024

Dear Blackwater Parents and Guardians,
Greetings! We are well off to another amazing year. Our students and staff have returned well rested and ready to learn/teach. It is exciting to see all the different academic activities that are taking place in the classrooms.

Student academic success is the main goal of every staff member at Blackwater Community School! We believe all students will learn to the highest level and we are prepared to offer more time and support to any student that needs it. We started our 21CCLC afterschool program (ASP) last week to devote additional time and learning opportunities for students that need it. Our ASP staff is comprised of highly qualified educators who are committed to providing students with the support they need to develop into lifelong learners!

As a reminder, BWCS provides students with a positive and enriching learning experience. Toys, games, trading cards, and other play-related items or personal property must be left at home. These items pose a distraction to the teaching and learning process. The district is not responsible for any lost or stolen items.

As a reminder, Monday, September 2, is Labor Day! There is NO school that day. Please enjoy the three day weekend.

I look forward to working with each of you and your children this school year. Together, let's make it the best one ever!

Cheers,

Misty Lopez

Assistant Principal

Blackwater Community Schools
